

Welcome

Welcome to Rosehearty Nursery. We hope everybody had a good holiday.

The nursery staff is always available to discuss any concerns you may have. We currently have 3 members of staff in nursery each day.

Nursery times for Rosehearty 1:
Drop off between 8:45 and 9.00,
Pick up between 11:40 and 11:55.

Nursery times for Rosehearty 2:
Drop off between 12:15 and 12:30
Pick up between 3:10 and 3:25

Please keep to these times as late arrivals and departures disrupt the flow of the nursery day.

Timetable

Gym this term will be on a Monday and a Wednesday. Children will be changing for gym on a Monday and will need shorts on this day.

Library will be on Tuesday's for Rosehearty 2 and a Thursday for Rosehearty 1.

Outdoor learning

We intend to use the outdoor area as an extension to our classroom and so will be outside most days doing a variety of activities.

It is beginning to get a bit colder so please make sure your child has a waterproof jacket, gloves, a hat and a scarf with them to nursery each day.

We are hoping to go to the beach later in the term. Parent helpers are needed to help with the beach session. A sheet will be available for you to add your name to in the nursery foyer.

Theme work.

This term we will be looking at "Ourselves". We will start by looking at our bodies and our senses. The children's views and interests will be used to plan other aspects of this topic.

The class will choose any additional topics to be studied during planning session.

Tissues

Can each family please provide a box of tissues.
