

Welcome back everybody after the holidays. It was lovely to meet my class again. The children are settling into new routines and getting used to different ways of working as they have now progressed to P2. If you have any queries please get in touch.

We would like to issue a warm welcome to Lexie who has joined us from another school.

Timetable

This term is as follows

Monday ICT, Art (old shirt or art apron needed)

Tuesday PE (gym kit needed, micro pore tape for children with pierced ears)

Wednesday Music

Thursday Drama (gym shoes needed)

Friday PE, Assembly, Hobby time

Homework

Pupils will receive homework on a Monday. This may cover a variety of subjects but initially the main focus will be on Literacy and Numeracy. Homework tasks need to be completed and returned to school by Friday. Reading will be sent home after all the reading tasks have been completed in class.

Language, Mathematics and Health and Well-Being

This term the children will continue to work on Active Literacy stage 2 which is a programme of study being undertaken by the schools in Aberdeenshire. This continues to develop their skills and knowledge.

In Maths they will continue to use the Heinemann active maths Scheme to develop their understanding of number processes and their concept of time.

In Health and Well – Being the children will have the opportunity to explore and understand how diet and exercise lead to a healthier lifestyle.

Science, Technology and Social Subjects

These subjects will be covered during our topic work on Katie Morag. The children have been actively involved in the initial planning of the project and are looking forward to discovering more. They may be asking for help with some tasks they will be set for homework.

We are very lucky this term to be able to visit TECHFEST in Aberdeen. This is a very good selection of workshops that actively engage the children in finding out about science.

Expressive Arts and RME

In Art this term the pupils will be selecting their ideas from the theme and developing their skills in a variety of different ways. We are fortunate in having specialist teachers this term to deliver Drama and Music. In RME the pupils will be developing their understanding of Christianity and some of the seasonal celebrations that are celebrated in the Christian calendar.

Golden Time

This is awarded to children who have worked hard and behaved very well all week. It takes place on a Friday afternoon. The children have a variety of activities to select from and they enjoyed participating in their groups last week.
