

Welcome

Welcome back to Rosehearty Nursery. We hope everybody had a good holiday.

The days are getting colder so please make sure your child has a warm jacket, gloves, a hat and a scarf with them to nursery everyday.

Timetable

Gym this term will be on a Monday. Children will need shorts on this day.

Library will be on Tuesday for the afternoon class and a Thursday for the morning class.

Outdoor learning

We intend to go to the beach or the outside area at the school on a Thursday for the entire session. Please ensure your child comes to nursery in old, warm clothes on these days. The nursery has water proof suits or all in one snowsuits if anyone requires. We will be going out even if it is raining. We hope to start going out on the 3rd of November and would really appreciate parent helpers.

Theme work.

This term we will be looking at myself, road safety and Christmas. The children help chose the topics and their views and ideas will be used to plan the activities.

Targets

The targets are going well. When your child achieves their target we would like you to discuss your child's target with them and help them to choose a new one. Well done to everyone for all their hard work.

Literacy

We will be starting "Question of the day". This is to develop the children writing skills as they will write their own name each day. We will be concentrating on pencil hold and control.

Student

The nursery has a student, Brian Carney in nursery every Thursday for the rest of the school year. He will also be in the whole week on the 31st of October to help him get to know the children.

Staff Training

The nursery staff will be training in a number of different activities this term which includes First Aid, Big Book Planning, Early Years Curriculum and Pedagogy.
