

Welcome to the new term. The children arrived at school after the Christmas holidays full of enthusiasm and ready for the new term. The children have been busy setting out their targets for the New Year and by the end of Primary 2 hopefully they will have achieved quite a few of them.

Timetable

This term is as follows

Monday

Tuesday HWB (Mrs Buchan)

Wednesday Music (Ms

McConnachie) PE

Thursday Drama, Library

Friday PE, Assembly, Golden time

Homework

Pupils will continue to receive homework on a Monday with reading throughout the week. Homework tasks need to be completed and returned to school by Friday. If at any time you have any problems with the homework that has been set please get in touch.

Language, Mathematics and Health and Well-Being

This term the children will continue with the programme of work as directed by the Active Literacy scheme that Aberdeenshire use. In writing we will continue to work on using connectives to link ideas and join sentences. As well as introducing the children to different styles of writing.

In Maths they will continue to use Heinemann active maths games to

develop their understanding of number processes. Our practical focus is on money this term. If you would like your child to develop a greater understanding of how to count and give change in different ways a great way is to play shops together so they have practice in handling money.

In Health and Well – Being the children will be focusing their learning on feelings and relationships with Mrs Buchan.

Science, Technology and Social Subjects

These subjects will be covered during our topic work on Polar Lands. The children will be involved in the planning of the topic and directing their learning. They will develop skills in a variety of areas and some of this focus will be on developing their knowledge of information and communication technology.

Expressive Arts and RME

In Art this term the pupils will focus their art work on creating displays for both the corridor and the classroom based on our topic. This term the children are receiving music from Ms McConnachie. The children are enthusiastic when participating in PE and we will be focusing on developing individual skills and team work. There will be a variety of after school clubs available for the children to participate in. Please help your child if they are experiencing difficulties with such things as tying shoelaces and putting up hair etc.

In RME the children will continue to learn about Christianity with the term ending with our Easter service.
