Homework

Literacy homework will be issued out on Monday to be returned Monday the following week.
Numeracy homework will be issued out on Friday to be handed on Wednesday the following week.

Topic

Our topic for term 2 will be Scottish Larder. Throughout the term we will be learning about local produce and traditional Scottish recipes. Additionally we will be learning cooking skills and the health and safety aspects of cooking.

Language, Mathematics and Health and Well-Being

This term in Language, pupils will continue to develop skills through the active literacy program. Phonological skills and strategies will continue to be a strong emphasis to consolidate spelling rules they have learnt.

Comprehension skills will continue to be developed from their reading

groups as well as whole class novel activities.

Pupils will also complete various writing tasks such as information reports, imaginative story writing, and functional writing such as letters, invitations and menu's.

Higher standards of VCOP (vocabulary, connectives, openers and punctuations) will be expected in their writing at this stage of their learning.

In Mathematics pupils will continue to build on their knowledge of multiplication and division as well as learning about money and finance.

Science, Technology and Social Subjects

Social Studies will link with the term's topic, Scottish Larder.

Expressive Arts and RME

Expressive Arts will be covered by our visiting specialist. Pupils will use their artistic and creative skills.

RME will continue with Christianity in our weekly assemblies as well as learning Christmas in depth in class.
