**Fundraising**

Suggestions for this year's fundraising are music bingo with AJ West and our annual soup & sweet. Sarah Pirie is going to contact AJ West and find out about dates/costs etc. Soup & sweet is pencilled in for the 24<sup>th</sup> February 2024.

**School Trips**

Instead of a travelling pantomime coming to school this year, Mr Taylor wondered about taking the kids to a pantomime. The majority of parents were keen to explore the options available. There are 143 kids plus adults to book for. Stephanie Brown was going to find out about HMT, Dee Noble was going to get info on the Arts Centre, Aberdeen and Sarah Pirie was going to find out about Fraserburgh Panto.

For the P7 trip, Loch Inch have increased their price this year from £306pp to £399pp. These prices include everything except bus journey and hoodies.

**AOCB**

Mrs Thomson retired from the nursery at the end of the last term. Lynne put forward a suggestion to buy Mrs Thomson a gift by way of a Thank-you as she has been in most of our kids lives, everyone agreed this was a good idea.

Parent Council have agreed to take over the handling of the school uniform orders. The office staff have lots to do and by doing this we will hopefully lighten the load a little.

Joanne Poyser is stepping down from the committee and Sarah Pirie is stepping down as a parent member but will hopefully stay on the committee as a member of teaching staff.

The next meeting will be on Wednesday 11<sup>th</sup> October 2023.

That being all the business, the meeting was brought to a close by the chairman.
